

WE ARE BRISBANE'S ALL GAUGE MODEL RAILWAY CLUB

*Former Brisbane Lord Mayor Clem Jones was our first patron and we have been active in Brisbane, with a rich community history, for 50 years.
Read the history of our club on our website.*

About us

Our new Clubhouse is at 21 Queens Way, Yeerongpilly. This is NOT the TableSale locations. Members run trains at the Clubhouse on OO/HO and N scale tracks every Wednesday and Saturday from 10am to 2pm and some Fridays from 7pm to 10pm. Just drop in any Wednesday or Saturday. But if you want to visit on a Friday, phone 0426455956 (48 hours prior) to confirm we are open. See a photo and a Map to locate the Clubhouse on our website www.allgauge.org.au.

The AGMR Club is well-established, welcoming and inclusive:

- > It has a diverse membership: a mix of male and female adults as well as families.
- > It's a Social Centre for creativity in a traditional world-wide hobby; the second largest in the world.
